

POULTRY CRC PHOTO COMPETITION 2014

Over \$1000 in Prizes!

The Poultry CRC is looking for quality photos of poultry (chickens, ducks, turkeys, geese, quails, etc).

There are two sections in the competition; **Schools** and **Open**. You can enter as many images as you like.

Note to teachers: for your students' photos to be considered in the Schools section, they **MUST** be submitted under ONE form from each school. Students may also enter as individuals (not on the School form) but these entries will be judged in the Open section.

PRIZES – Schools Section ('poultry supplies' will be discussed with winning schools)

- First prize \$300 worth of poultry supplies
- Second prize \$200 worth of poultry supplies
- Third prize \$100 worth of poultry supplies

PRIZES – Open Section

- First prize \$300
- Second prize \$200
- Third prize \$100

Entries will be accepted up until C.O.B. **Friday 9th May 2014**.

Prize winners will be notified and announced on **Friday 16th May 2014**.

GENERAL PHOTO TIPS

1. Framing – think about your subject's location in the shot and the background (Birds can move quickly. Be sure that your subject is in focus and not chopped off by the edge of the photo),
2. Angle – perhaps your shot would look better if you were at 'eye level' with your subject, rather than above it,
3. Light – ensure your subject is well lit in your image,
4. Image resolution – ensure that the image is of suitable resolution, so that we can use it in print media.

Photos received by the Poultry CRC may be used for promotional and/or educational purposes, including our web site, brochures, newsletters and other publications.

Fill out the entry form on the back of this flyer and send us your photo/s on disc, USB drive or via email. More details are on the back.
